CARTIER

SEP/OCT 2016

Christophe Claret

Brimming with whimsy and romanticism, the Marguerite bears a geometric motif that when the pusher is pressed, sees the Arabic numerals for 3, 6 and 9 vanish. In their place is the phrase "il m'aime passionnément" (he loves me passionately), which vanishes too once the pusher is released. This magic show is made possible by two superimposed discs. The 42.5mm case is available in white or rose gold.

MARGUERITE

- MOVEMENT:** Caliber MT115; self-winding; 28,800vph; 72-hour power reserve
- FUNCTIONS:** Hours, minutes
- CASE:** 42.50 x 12.07mm; white gold or red gold; water resistant to 30m
- DIAL:** Dual display dial showing time or "il m'aime passionnément"
- STRAP:** Leather in matching color to dial
